# *Headmaster's Address*

*It is truly an honor and a privilege to be the Headmaster of the John D. O'Bryant School of Mathematics and Science. The Class of 2010 is my first graduating class and for that you will always hold a special place in my heart. You are such a fine collection of talented young men and women and I am excited by what the future has in store for you. The lessons learned in high school will establish the foundation on which you build your future. You will always remember those who have made a difference in your life. For me, that person was my guidance counselor. He was such a positive person, that he inspired me and so many other young men to believe in ourselves. So many members of the O'Bryant staff have been that person for you.*

Life holds so many promises;  
hard work will make them come true  
There are answers to every question,  
finding them is up to you  
So continue to research, continue to learn  
Acquire knowledge wherever you go  
Life is a big screen production,  
and you are the stars of the show

Remember the teacher  
who encouraged everyday  
Remember the counselor  
who guided along the way  
Remember the classmate  
who was there to lend a hand  
Remember the tutor  
who helped you understand

Remember your dreams,  
and remember your friends  
And remember all the memories we shared  
And when you think of the O.B.  
If you should remember me  
Remember me as someone who cared.

Congratulations  
From the heart of Headmaster Steve  
Sullivan

In memory of my Guidance Counselor  
John D. O'Bryant

Valentines Day

Sweetheart King and Queen

NE!

SMILE

Just like a star across the sky  
Just like an Angel off the page

Whennnn  
I had you  
I Treated you  
badddd  
And wrong  
my Dear

Some people want it all  
but i dont want nothing at all  
If it ain't you, baby  
if i ain't got you, baby

The Judges

Do the Humpty Hump, come  
on and do the Humpty Hump

Although we've come to the end of the road  
Still I can't let you go  
It's unnatural, you belong to me, I belong to you

You should let me love you  
Let me be the one to  
give you everything you want and need

when you love is lost  
your whole worlds thrown off  
when the one you need dont need you  
what do you do when love is lost

Caroline! Caroline!  
All the guys would say she's mighty fine  
But mighty fine only got you somewhere half the time  
And the other half either got you cursed out, or coming up short

We're all in this together  
Once we know  
That we are  
We're all stars  
And we see that  
We're all in this together  
And it shows  
When we stand  
Hand in hand  
Make our dreams come true

All of a sudden, my vision became so clear.  
Everything I needed was right here,  
before me
